House blessings require a \$50 dollar deposit in order to secure the date and time of the house blessing. The remainder balance is due on the date of the service. The deposit or the entire amount may be paid in advance through cash or credit card. Courtney only accepts cash or credit card on the day of service. If you are not present for the service at the time of the appointment, deposit is forfeit. Cancellations and rescheduling must be done at least 24 hours in advance.

If you have any known allergies to candles, herbs or salt please let Courtney know. Sage will be used in the home for the blessing. Blessings are not religious. Courtney will not use any religious symbols, icons or words to cleanse your house. If you are looking for a religious based cleansing than this is not for you. Courtney uses positive energy and re-enforcement to rid your home of negativity.

### What to expect:

- Courtney will discuss the blessing in its entirety before performing it. She will also question you about, active spots, personal experiences and so forth, so she becomes familiar with your personal situation.
- Set up a designated quiet space for her to put her things and for the end of the blessing. This should have a table that a candle can be placed upon and enough chairs for you and her.
- Courtney may decide to clean outside the house or inside first.
- You may witness but please do not interrupt unless you must.
- Courtney will need to be both inside and outside of your home. Please let her know if any area is out of bounds.
- Make sure you are clear and understand every step and are comfortable with the blessing in its entirety. Inform Courtney of any room she is not permitted to enter (it is better if she has access to every room) and also inform her of any questions or concerns you may have.
