# **Spiral Crystal Healing**

Need a little manifestation energy to push us forward? How about the energy to heal yourself on a Body, Mind or Spirit level? These sessions are designed to help you heal on every level, as well as, place your energy out into the universe to create a manifestation.

**313-516-8210**

***These sessions are hands off. If Courtney needs to touch you she will ask beforehand.***

***Courtney highly recommends drinking plenty of water after a session to help continue the healing provided in the session.***

**Please give the manifestations time to manifest the most amount of time it can take a manifestation to work is about a month or 30 days. Give it time and in order to reinforce your wish keep sending positive energy out into the universe!**

This unique service is offered to not only help clients experience healing energy but to also help them achieve manifestations.

Clients are healed with an entire spiral of crystals built specifically under the massage bed for them.

Clients will lay down on a massage bed for the whole duration of the session.

The crystal spiral will be built either before the client arrives for the session or when the client first arrives.

Each session includes an Archangel sand and three crystals to help them achieve their manifestation.
